

Nominations for the 2017 Governor's Energy Excellence Awards

Energy-efficiency project work must have been completed between January 1, 2016, through December 31, 2016.

All nominations must be submitted by March 31, 2017.

Only one individual or organization may be nominated per nomination entry.

Nominators may submit as many nominees as desired.

Self nominations are permitted.

If more than one nomination for an individual or organization is submitted, only the first nomination received will be reviewed.

The final decision on finalists and award winners are approved by the Governor's Energy Excellence Awards Steering Committee and the Office of the Governor.

If you have any questions, please contact Michigan Saves, chair of the Governor's Energy Excellence Committee, at info@michigansaves.org or by calling 517-484-6474.

For more information please visit www.mienergyexcellence.org

Please complete your email address below for a copy of your completed nomination that includes a link to edit through March 31, 2017.

- Contractor of the Year: Presented to an energy-efficiency contractor (could be nominated because of exempli
- Best Communication, Education, or Program: Presented to an organization that has overcome the barrier of c
- Best Project - Residential: Presented to a homeowner who has performed energy-efficiency retrofits to a hom
- Best Project - Commercial (Private): Presented to owners and/or operators of commercial buildings that have
- Best Project - Public: Presented to a public sector entity that has implemented an energy-efficiency project. T
- Best Project - Industrial/Manufacturing: Presented to a manufacturing operation that has used energy-efficien
- Best Project - Agriculture: Presented to an agricultural operation that has implemented an energy-efficiency p

Nomination Narrative

The nomination narrative answers questions specific to each award and is used extensively by the reviewers when selecting finalists. Based on the selected award category, please provide the following information. (Please limit responses in each of the following areas to 2000 characters, which is approximately 250 words.)

Please share some of the nominee's history. What drove them to reduce their energy consumption and what was their goal? *

This information will be used in the event program.

Long answer text

Describe why this nominee is the best candidate for this award. *

Long answer text

How did this nominee positively impact the State of Michigan? *

Long answer text

List equipment installed in 2016 or other measures put in place that reduced energy consumption. *

Please include dates for each.

Long answer text

Were any health or safety issues improved due to energy improvements? *

For example, asthma, combustion, mold remediation, etc.

Long answer text

Nomination Narrative (Continued)

If known or applicable, energy-efficiency results from January 1, 2016 - December 31, 2016. Responses are not required, but highly recommended.

Natural Gas Savings

Compared to previous years, please indicate your energy savings. Or, if known, your projected savings:

Annual therms or MCF savings

Background Check Agreement

Description (optional)

If selected, event attendees must submit to a background check and undergo ^{*} additional screening criteria. The State of Michigan will conduct a criminal and programmatic background check on all recommended award finalists before any awards are confirmed. In addition, all attendees must RSVP by deadline and show photo identification when entering the event. Failure to do either prohibits venue entrance.

- I agree to submit and provide the required documentation for a background check when requested.
- I certify that the nominee I have selected has been alerted to the potential of undergoing a background check
