Governor's Energy Excellence Awards Presented to Eight Honorees for Reducing Energy Waste

LANSING, Mich. — Eight individuals and organizations from across Michigan were recognized at the Governor's Energy Excellence Award (GEEA) for their extraordinary efforts to reduce energy waste. The winners were announced by Gov. Rick Snyder and honored at a ceremony in Detroit on October 19.

"Reducing energy waste, along with ensuring energy reliability and advancing clean energy, is a key component of Michigan's energy policy," said the governor. "We're proud of the steps taken by the individuals and organizations we're honoring, because collectively they illustrate what can be done to reduce energy waste and save money, both of which strengthen Michigan's economy."

Winners of the Governor's Energy Excellence Awards by category are:

Best Residential Project

Tom Tishler, Kalamazoo

Best Public Project

Ewen-Trout Creek School District, Ewen
